Serial ... 1

Sir,

I most respectfully beg to submit this application for the consideration of the Chief Commissioner, and humbly request you will be pleased to place the same before him with your recommendation as it is to the advantage of Government.

2. My tender for the three Districts of this Division today for the exclusive privilege of selling Toddy therein are as follows.

1. Bangalore Dist.	per annum	Rs 80,100-0-0	Exclusive of local cess.
2. Kolar Dist.	do	36,500-0-0	
3. Tumkoor Dist.	do	26,500-0-0	
		Total Rs 143,100-0-0	

3. The highest tender for the Tumkoor District is Rupees 28,000/ per annum.

4. The largest number of Date Topes are in the Tumkoor District, and the two other Districts depend in a large measure for their supply of Toddy from those groves. Without such aid the Renees of the Bangalore and Kolar Districts will not be able to realize the amount of their tender to Government, and must consequently sustain a heavy loss.

5. It will not in the slightest degree prove a fairly profitable speculation to any person or firm, unless the three Districts are leased out to one tenderer, further it will be more advantageous to Government to deal with one Lessee for the three Districts, than with one for each District.

6. I therefore propose to take up the three Districts for the sums named below, and hope you will be pleased to recommend the acceptance of my offer by the Chief Comm as it is the highest, and will be much more advantageous to Government in every way -

1. Bangalore District	Rs 80,100	Exclusive of local cess.
2. Kolar Dto	36,500	
3. Toomkoor Dto	48,400	
	Total Rs 1,65,000-0-0.	

7. I have already deposited the sums required for the Bangalore and Kolar Districts and am prepared to at once deposit the sum required for the Toomkoor Dto, and to conform to all the conditions set forth in the Mysore Gazette of the 22nd January /81.

I beg to remain

Dated 8th February 81.

To

The Secretary to the
Chief Commissioner
of Mysore
&
Revenue Department.

Sir,

With reference to para 5 of the Chief Commissioner's Proceedings No. 4971-8 (not in the file) / 881 of the 29th November last, I have the honor to submit for orders the tenders marginally noted received in this Office for the Toddy Farm of the Bangalore District for the period of three years from the 1st April next.

2. It will be seen that the tender from Messrs Smith and Papenah is the highest, and as I consider it a fair amount, I recommend its being accepted.

3. Mr. Dee's tender stands

1. Messrs Smith and Papenah — 86500.
2. Mr. W. Dee — 80100.
3. Messrs Dairy Woodlapah & Co — 70000.
4. Chiff Woodlapah — 77000 (not sent up)

the rest in amount.

4. The remaining one is the lowest, but the tenderers, Messrs. Davy Moodapah and Co., ask for an opportunity being given them to take up the contract at any higher rate that may be offered by any party, should they be anxious to do so, in consideration of their former services. It is true that Messrs Davy Moodapah are working their existing contract in a very satisfactory manner; but I cannot recommend that they be allowed the option they ask for, as it would produce uncertainty and discourage bona fide tenders in the case of future contracts.

5. A memo shewing the toddy revenue for the past ten years is herewith submitted, together

with the drafts of the Agreement
and retail license, as required,
for approval.

Sir.

We have the honor to make the following tender for the exclusive privilege of extracting and selling Date Toddy in your Town and District for 3 years from 1st April next, in compliance with the conditions notified in Gazette No 4 of the 29th January 1881 Viz Rs 70,000/— exclusive of local cess fund tax, and we enclose herewith Rs 1000 as deposit.

At the same time we take this opportunity of bringing to your notice that we are Contractors of considerable experience, having been engaged in Government Contracts of this Kind for the past 11 years, and that we were the only Contractors in the Mangalore Province who carried out their contracts during the time of the Famine.

In consideration of our past services we trust should any party make a higher tender than ours, we may at least have the same chance it granted

us

we are to the present holders of the Contract of Mysore in 1879, and be permitted the chance of taking it at an enhanced rate should we be anxious to do so.

We hope and believe that in making a selection amongst the various tenderers every consideration will be accorded to us on these grounds.

Sir,

In continuation of my letter to your address of this day's date, on the subject of the Toddy Contract of this District, I have the honor to enclose a letter received from Mr. Dee subsequent to the opening of the tenders, and indeed based I should say, upon the information acquired at such opening.

II. The sum total now offered by Mr. Dee is, I believe, less than the totals of the highest separate tenders for the three Districts. And at any rate is less by some 6,000 Rs: (exclusive

of local cess) than the highest tender for this District.

III. There are objections to receiving fresh tenders in this informal manner, as they must lead to similar negotiations with the other tenderers. Besides, I believe it was decided by the Chief Commissioner, after full consideration, to invite tenders for each District separately, and not for the whole late Division.

IV. I have no doubt but that the tenderers of this District considered well the question of supply before they settled upon the amount they should offer - and the difficulty suggested by Mr. Dee in the 4th Para of his letter is one that was espressly mentioned in the Notification inviting tenders.

I have the honor to be,

Sir,

I respectfully beg you will be pleased to submit this application for the consideration of the Chief Commissioner -

2. My tenders for the Districts of this Division are as follows.

	Rs — as — P.
Bangalore Dte per annum	— 80,100 — 0 — 0
Kolar Dte "	— 36,500 — 0 — 0
Tumkoor Dte "	— 26-500 — 0 — 0
Total Rs	143,100 - 0 - 0.

3. The highest tender for the Tumkoor District is Rs48,000 per annum -

4. The largest number of Date Topes are in the Tumkoor District, and unless a large number of them are reserved for the supply of Toddy to the ~~Bangalore~~ Bangalore & Kolar Districts, the Lessees of the two latter Districts will not be able to realize the amount of their tenders to Government, and must consequently suffer loss -

5. It will not benefit those who have tendered

in the slightest degree if unless the three Districts are leased out to one individual or Firm, and it will be more advantageous to Govern=ment to have one Lease for the three Dtts instead of a seperate one for each District.

6. I therefore propose to take up the 3 Districts on the following terms and beg you will be pleased to recommend the acceptance of this tender as it will be by far the highest, and much more advantageous to Government in every way.

1. Bangalore Dtt	Rs 80,100—0—0	Exclusive of local cess of one anna on every rupee com=puted on this amount
2. Kolar Dtt	Rs 36,500—0—0	
3. Tumkoor Dtt	Rs 48,400—0—0	
Total	Rs 165,000 : 0 : 0	

7. I have already deposited the sums required for the Bangalore & Kolar Districts, and am prepared to at once deposit the sum required for the Tumkoor District, and to conform to all the conditions as published in the Mysore Gazette of the 22d January 1881.

Sir,

I beg to request that when my tender for the exclusive privilege of selling Toddy in the Kolar Dt. is received from the Deputy Commissioner of Kolar, it may be placed before the Chief Commissioner together with my previous letter to you on this subject, and also this letter for favorable consideration.

2. I respectfully submit that my tenders for the Districts of Bangalore, Kolar and Tumkoor may be taken as absolute and unqualified only in case the said three Districts are leased out to me, as otherwise it will entail a heavy loss upon me if my tender for the District of Kolar alone be accepted, because owing to a mistake the amount which I intended to insert in my tender for Tumkoor was put down in my tender for Kolar and vice versa; and this error I did not discover till after the tenders for Tumkoor were opened.

3. In case the three Districts are leased to me, I am willing to take them up for the amount (Rs. 165,000-0-0) mentioned in my previous letter to you; but if otherwise I humbly beg that under the aforesaid circumstances the Chief Commissioner will be pleased to accept this my revocation of my tender for the Kolar District, as it has not yet been accepted.

I beg to remain

Sir,

Adverting to the Chief Commissioner's
Proceedings No 4971-8 dated 29 8
missing R. 881 November 1880, I have the honor
to report that on the 7th instant
I received and opened at the Deputy
Commissioner's office at Bangalore
all tenders for the exclusive privilege
of selling Toddy in the Tumkur
District for 3 years from 1st April 81
to 31st March 1884. The highest
tender received is from one
Chika Rudrappa Chetty for Rs 48,000/-,
and as this is a very fair offer,
I recommend that it should
be accepted. Chika Rudrappa
Chetty is a native of Bangalore
and

and appears to be a trader there.

2. The next lowest tender is for Rs. 42,500/- per annum from Messrs. Smith and Papanna. They have experience in the working of the Soddy Contract and have always been found to be good Contractors. But their tender, not being the highest, cannot be accepted.

3. The other two tenders, viz. one for Rs. 26,000/- from Mr. Dee and another for Rs. 25,000/- from the present Contractors Messrs. Davy & Muddappah & Co. must of course be rejected as they are too low. I must however bring to notice that Messrs. Davy & Muddappah & Co. ask that they may be permitted the chance of taking the Contract at the highest amount offered by

by Chika Rudrappa Chetty on the ground that they are the present Contractors.

4. I accordingly submit herewith for orders all tenders received in original together with a petition received from Mr Dee on the evening of the 7th instant some hours after the tenders had all been opened offering Rupees 1.65.000/- for the 3 Districts of Bangalore, Kolar & Tumkur.

5. A statement shewing the past Revenue is also submitted.

Sir.

We have the honor to make the following tender for the exclusive privilege of extracting and selling Date Toddy in your Town and District for 3 years from 1st April next, in compliance with the conditions notified in Gazette No 4 of the 29th January 1881 Viz Rs 25,000/— exclusive of local Cess fund tax, and we enclose herewith Rs 1000 as deposit.

At the same time we take this opportunity of bringing to your notice that we are Contractors of considerable experience, having been engaged in Government Contracts of this kind for the past 11 years, and that we were the only Contractors in the Mysore Province who carried out their contracts during the time of the famine.

In consideration of our past services we trust should any party make a higher tender than ours, we may at least have

have the same opportunity granted us
as to the present holders of the Contract
of Mysore in 1879 and be permitted the
chance for taking it at an enhanced rate
should we be anxious to do so.

We hope and believe that in making
a selection amongst the various tenderers
every consideration will be accorded to
us on these grounds.

Sir

I respectfully beg you will be pleased to submit this application for the consideration of the Chief Commissioner.

2. My tenders for the Districts of this Division are as follows -

1. Bangalore Dist. per annum Rs. 80,000 — 0 — 0
2. Kolar Dist. — do — 36,500 — 0 — 0
3. Toomkoor Dist. — do — 26-500 -0 -0

Total Rs. 143,100 — 0 — 0.

3. The highest tender for the Toomkoor Dist. is Rupees 48,000 — 0 — 0 per annum.

4. The largest number of Date Topes are in the Toomkoor District, and unless a large number of them are reserved for the supply of Toddy to the Bangalore and Kolar Districts, the Lessees of the two latter Districts will not be able to realize the amount of their tenders to Government, and must consequently suffer loss.

5. It will not benefit those who have tendered in the slightest degree, unless the three

three Districts are leased out to one indi=vidual or Firm; and it will be more advantageous to Government to have one Lessee to deal with for the three Districts instead of a separate one for each Dt.

6. I therefore propose to take up the three (3) Districts for the below mentioned sums; and respectfully beg you will be pleased to recommend the acceptance of this tender as it will be by far the highest, and much more advantageous to Government in every way —

1. Bangalore Dt.	Rs. 80,100—0—0	Exclusive of local cess of one anna in every rupee computed on this amount.
2. Kolar Dt.	Rs. 36,500—0—0	
3. Toomkoor Dt.	Rs. 48,400—0—0	
Total	Rs. 165,000—0—0	

7. I have already deposited the sums req.d for the Bangalore & Kolar Districts, and am prepared to at once deposit the sum required for the Toomkoor District, and to conform to all the conditions as published in the Mysore Gazette 8/22d January 1881.

Sir,

If my tender for the exclusive privilege of selling Toddy in the Kolar District has been submitted to the Chief Commissioner, I respectfully beg that this application be also submitted, together with your recommendation, for the favorable consideration of the Chief Commissioner.

2. Owing to a mistake, the amount which I intended to tender for the Tonnkoor District was entered in my tender for Kolar and vice versa - In case my tender for the District of Kolar alone be accepted it will entail a heavy loss upon me - The error which I had fallen into is also apparent from the amounts tendered by others for the Kolar and Tonnkoor Districts - For this and also for the reason that it would not be advantageous for a Contractor to work one District only I applied to the Revenue Commr and Secy to the Chief Commr to lay these circumstances before the Chief Commissioner and to obtain his acceptance of my revocation of the tender for Kolar -

3. But should the three Districts be leased out to me individual, I have in the said application offered to take them all up for Rs one lac and sixty five thousand (Rs 165,000-0-0) per annum, which is by far the highest amount tendered for the three Districts together by any of the other Contractors.

4. Trusting that this application will meet with your kind support,
